Greetings. I am top world inventor journalist broadcaster, front line civil rights founder activist in USA legacy history.

Few if anyone has a clue what I have invented and share gifted to 7.9 billion GODs children.

Over 700 videos all benefit world humanity I procreated back in 2005 when I preconceived original worlds FIRST to MARKET selfy stick IseeStand.org and

PhoneCradle.org and was perfectly positioned to earn \$5 to \$8 Million USD per month on profits based on reality pending contracts with President of ATT Glenn LURIE and General Services Administration in Washington D.C.

Subsequent intellectual property gifted to everyone deals with how to fast path eliminate ANY violator world wide of OUR civil rights and prevent infiltration of any database and theft use of

SolutionBankFraud.com we procreated back in year 1976..

Best gifted accomplishment was always **EVOTE.ONE** and **ProfitShareHOLDERS.com** that includes solutionMilitary.com how each nation eliminates any warlord who uses our assets to build war machines and destroy any opposition.

Only a few stipulations known as terms and conditions for our total portfolio of patents and real assets that exceed \$450 Million USD.

Most impossible is actually having face to face conference room video recorded discussions these days as most people are so deadly afraid of COVID and fear of the unknown they make any excuse to avoid learning current world reality of WHO actually controls our BANKS, Stock Markets, transport, markets, real estate and refuse to actually TAKE ACTION to solve basic city issues of streets, water,

electricity, state of art education schools like Norcross High School, traffic congestion, sewer, pollution, and specifically land zone planning since only a few investors actually control the government officials using campaign contributions and brokered deals of contracts that are seldom open bidded.

If Norcross officials really do not want advisement or our assets, WHO do you know in local other cities who can actually use our GIFTS of Philanthropy since we DID create GIVINGPLEDGE.SPACE as an example for all other mega billionaires and mega millionaires to gift 75% of their family net worth NOW, rather than false promise upon their unknown demise when all they intend to do is change their minds.
