Today's broadcast is fresh and from pure spiritual memory. **The most critical evidence is:**

This entire time, I have been actively Testifying to the world on the Felony Crimes committed against me personally as well as thousands, millions, even billions of others. The resulting Solutions are all listed for all Politicians, Governments, law enforcement, Judicial authorities, corporations, enterprises, churches, and public to actively institute into society as standard practices of conformity and unity that has really never existed since the dawn of mankind.

The most powerful evidence of REMOVING all POLITICS from society starts and ends with **SolutionGovernment.com** and **SolutionURL.com** as all citizens use technology, common sense, and biblical integrity principals to control and manage all of their leadership including Corporate Executives by the Majority Will of the People.

Here is Today's World Broadcast as I truly can not think of any major world problem I have NOT solved over my lifetime. I have no regrets or excuses, a true rarity, I am WHO I AM and am the true Son of Man, and godChild of Christ Jesus lineage, just like all 7.372 Billion of my people.

I sent THIS following broadcast to the FBI, AG, Speaker of the House, and a few others. It speaks all truths of what occurred to myself and WHAT I did to counteract all the grief and pain in the world by teaching all to Love and Care for each other.

I am watching Mel Gibsons;s Brave Heart right now as he is TORTURED to DEATH because he STOOD for his entire PEOPLE, just like I do my entire life.

START OF eFAX from my # (678-550-6050)

Again, I work for ALL governments, Military, Corporations, and ALL PEOPLE to teach everyone how to PREVENT crimes in first place. SolutionGovernment.com is the ONLY solution to remove POLITICAL CRIMINALS from all of society along with the underground Terrorists like Robert Dee Rose <http://www.ManHuntRose.com> and www.WherelsRobertRose.com

I have clearly stated with top AUTHORITY that I was KIDNAPPED by ROSE after I was asked to go TO USAirforce Base Langley on Sept 25, 2011 and KIDNAPPED Oct 3, 2011 to PREVENT usa Military from protecting the Intellectual Property I delivered successfully that Sunday Evening.

Anyone who FAILS to investigate and convict over 100 USA government officials tied to this ONE Terrorist, is clearly guilty of multiple CRIMES starting with Willful Obstruction of Justice of the USA Military Investigations I have delivered over and over.

NOTIFY FBI James Comey and AG Loretta Lynch that their agencies are on verge of total COLLAPSE if the PUBLIC RIOTS as the PRESS has been notified over and over on the quad trillions of USD one way transfer of assets over past few years/decades to the same Government officials who control our Courts, Judges, Laws, and other instruments of brutality to MY 7.372 Billion PEOPLE.

Why has not a SINGLE HONEST Federal Judge, Special Prosecutor, Congressperson, INTERPOL investigator, and/or USA Military Investigator contacted Keith Duncan for the PRESS CONFERENCE SERIES of ALL TIME.

To show again and again, in plain language the SIGNED COurt Documents of 4:11cr112 that show full scale conspiracies and full scale coverup with destruction of public documents that show ROSE is behind all this carefully planned extortion and blackmail of so many of his own FineHomeTechnologies.com clients and extremely powerful politicians and executives.

I close WAITING for JUSTICE in ultimate TERMS for the USA Military, OR FBI, OR AG or CHURCHES to protect my life and assets.

I publish THIS broadcast to the world on IseelunderStand.com as I know WHO I AM. Do you stand for justice, or are you willing to be shunned by all of society for your own actions by www.SolutionURL.com in all major languages....

Keith

here is broadcast from 2 days ago. Each day is historic.

SolutionGovernment.com breaks all barriers of Political Corruption PCTerror.com as SolutionMilitary.com is the first and last resort to prevent crimes against people committed by those collectively known as the 'Criminal Ruling Elite'. These are the underground criminal enterprises that control so much of our defense industry, skimming tax dollars at County level, bankers involved in helping create war situations, and those who steal computer information (insider CreatorKeith.com INC 2015 Gifts all his Acts of Wisdom to the world.

Trading) like Robert Dee Rose (DOB 1971-April-01) as Langley Air Force Base visit Sept 25, 2011 per Norfolk Terrorist Conspiracy 4:11cr112 indicates that ROSE has criminal agents already embedded inside IRS, FBI, AG, USMarshals, and other government agencies to actively DELETE all criminal reports of ROSE's treason, espionage, and other massive crimes.

Contact Langley OSI Capt. Kong (757)764-7972 to ask USA Military contact and escort Keith back to USA for Press Conference series with FBI James Comey and AG Loretta Lynch to address all the crimes committed based on Cancelled TPO 11.1.1171.99 Cobb County GA Berry Vic Reynolds dated July 15, 2011.

Then Keith Duncan can finally debrief the world on www.UNlocracy.com SolutionURL.com and all the other comprehensive solutions that give total control of all citizens to manage and control their own leadership and direct their taxpayer funding to the projects that actually benefit their own communities. Keith currently in Manila, Philippines (63) 0917-335-4300 waiting for FIRST, then NEXT honest person to uphold Constitutional Law. Who joins UNITYurl.com and forms their own chapters to address their concerns with working solutionFinal.com as the Battle Cry of All Republics....

This just posted on <https://youtu.be/phzRY0DdRXk> on real cities, roads, and populations. The footage is the demonstration of absolute air power that is used by corrupt politicians to carpet bomb their way into popularity by claiming they are solving the world's conflicts by killing off all opposition. How easy will it be for USA officials to carpet bomb USA cities on premise that a terrorist group has corporate offices or homes in the middle of a metropolitan city. This will ensure the movie such as 'Escape from New York' becomes true reality.

Titled: B-1 B-2 & B-52 Doing Heavy Carpet Bombing

Keith Brent Duncan

I just posted this comment on YouTube.com, asking AGAIN for meeting with top level leadership, Just like I have been doing for years now. I visited well over 100 churches, spoke with their lead pastors and everyone I encountered, including the children, youth, and elderly. So many of them turned away, thinking, this person is just a random visitor. He asks questions about what are the needs of our church and how he can publicly cross market our church.

This is the testimony of OTHERS for I can see in their eyes and responses they are consumed with worry, sometimes grief, and are just following the leads of others, rather than acting with authority in GOD's name like I have done my entire life. This was Felix Manalo, Dr. Martin Luther King, German Martin Luther, USA President Abraham Lincoln and Jimmy Carter, UN Ambassador Rev Andrew Young (Atlanta GA Oct 14, 2014 personal interview with him), and all the broadcasts to PRESS, Congress, Speaker of House John Boehner, and of course direct contacts and visits with all law enforcement agencies IRS, FBI, AG, US Marshals, State Law Bars, Universities, and literally everyone I can reach. Moses, Abraham, Christ, St Peter, and all the other fore-founders of our world accomplished the same tasks in the name of the Trinity centered on our own one mutual Creator I call Dad.

#296 INC Manalo BuiltByKeith endorsement with Uniocracy.com

<https://youtu.be/jmlIt6SrvyU>

I am asking for appointment for two way interview with Executive Director Eduardo Manalo. Pastor June Padilla Nonato JR. B is Part of College of Evangelical Ministry in Quezon City. His cell 0905-509-9398. He recommended I meet with District Minister Romer Galang. Who will contact top INC leadership so I can finally bring all churches into UNIFICATION, JUSTIFICATION, and CONFORMITY with GOD's original design for all of humanity. My ministries to address EVIL, corruption, political crimes, and almost all other forms of viceful sins were completed months, actually YEARS ago. Few notice because of their worries, viceful ways, survival mode of what they are going to eat, and their blinded viewpoints of true reality. I just posted critical world broadcast on Last broadcast .PDF file on top of iseelunderStand.com Keith. The True Son of Man here to serve all of mankind.

This FAX just sent to Speaker of House John Boehner, FBI Atlanta, Sally Yates Atlanta Office, and other key government agencies. I used my eFax 678-550-6050 electronic transmission. Any of these direct commands to USA government will result in the UNIFICATION of all people in very short succession steps using **SolutionFinal.com** that is unbreakable in plain language.

.

This just posted on **PCTerror.com** CONTACT page going virally public to the world. This sent to my PR person in NYC who refuses to do much of anything but complain and make all the excuses in the world WHY she refuses to notify journalists...

EMAIL:

One point of contact over weeks, months, even years never yields results. Publicity is the ability to multiple one's efforts by raising public awareness.

The PRIME way to get anyones attention INSIDE the USA government is for them to have multiple inquiries. When a single person reports any crime to FBI-IRS-AG, their clear policy is to NEVER respond regardless of any critical nature. After so, so many calls to law enforcement, they almost always state "If we need more information, we will call you back'. Also, We will probably not call you back, since we can never confirm or deny that any investigation is in progress and who is involved. that would jeopardize the purity of our work.'

I have above on Audio per my so many calls to ALL law enforcement. I get NOTHING but criminal grief from those who are suppose to protect our rights and assets. So I continue to

broadcast focused on the LIGHT of JUSTICE and EQUALITY, since no one else clearly does what I do. If they had, our world would already be ONE **UNlocracy.com**

Major world Rebroadcast update. Is this finally STRONG COMMANDING Language to knock the living HELL out of those who deserve Justice by their own criminal actions, I am currently sitting in the Shangi-Li lobby in Makita Philippines (part of lower Manila), having a nice glass of red wine and pondering the future of mankind. That is also what this is all about. Here is the email excerpt from Bernie Sanders from Vermont who is running for USA president. What he states is 100% true and was basis for HelpINmates.com and HostageForProfit.com that have been active starting in Feb 2011 right after I was kidnapped by orders of terrorist Robert Dee Rose after he and Ms. BASHAMA robbed my home by U-Haul truck on Feb 32, 2011 per Marietta P.D. report 1.11.2506 I filed after calling 911 twice on Feb 4, 2011 as soon as I woke up.

Email from Bernie Sanders to: BidonKeith.com INC -

Today in America, shamefully, we have more people in jail than any other country on earth. The United States is home to 4.4 percent of the world's population, and 22 percent of its prisoners. A big reason for this is because companies that profit from prisons have spent millions of dollars lobbying for laws that needlessly keep people behind bars for far too long.

It is our job, in my view, to recreate our criminal justice system. And I believe that we cannot do that as long as corporations are allowed to profit from mass incarceration.

Today this situation has gotten so out of hand that our prisoners are no longer people — they have simply become sources of profit as laborers who work for pennies an hour on behalf of major corporations. Keeping human beings in jail for long periods of time must no longer be an acceptable business model. Our focus should be on treating people with dignity and ensuring they have the resources they need to get back on their feet when they get out. I am glad that President Obama this week ordered the release of nearly 6,000 nonviolent offenders from federal prison, but there is much more to do.

I have recently introduced legislation that will put an end to for-profit prisons. My bill will bar federal, state, and local governments from contracting with private companies who manage prisons, jails, or detention facilities. And it will require Immigration and Customs Enforcement (ICE) to improve their monitoring of detention facilities and eliminate private detention centers within 2 years.

Now I want to know if you're willing to fight with me on this issue. Sign my petition in support of my Justice is Not for Sale Act and say you've had enough of millionaires and billionaires profiting by keeping more and more Americans behind bars.

The private-for-profit prison racket is a \$70 billion industry, and with so much money at stake, it's not surprising they've corrupted our political process. The industry has contributed millions of dollars to candidates in pursuit of laws that increase incarceration of nonviolent offenders — a practice that disproportionately impacts people of color in the United States. We must stop the practice of governments guaranteeing prison occupancy as part of deals with private corporations that incentivize states to keep prison cells filled. And we must stop the practice of private companies charging exorbitant rates for prisoners to contact their families by phone — sometimes up to several dollars per minute to talk with loved ones, and charging outrageous service fees to prisoners trying to access their money upon release. That kind of exploitation takes an already difficult family dynamic between husbands, wives, parents and children and strains it even further. It is wrong to profit from the imprisonment of human beings and the suffering of their families and friends. It's time to end this morally repugnant process, and along with it, the era of mass incarceration.

But my legislation goes even further. It also takes steps to reduce our bloated inmate population by reinstating the federal parole system so that officials can individually assess each prisoner's risk and chance for rehabilitation. It ends the immigrant detention quota, which requires officials to hold a minimum of 34,000 people captive at any given time. And it would end the detention of immigrant families, many of whom are currently held in privately-owned facilities in Texas and Pennsylvania.

If we act, not only can we prevent thousands of lives from being destroyed, but we can save billions of taxpayer dollars.

Join me today.

Sign my petition in support of my Justice is Not for Sale Act and say you've had enough of millionaires and billionaires profiting by keeping more and more Americans behind bars.

This legislation enjoys a broad coalition of support on both sides of the aisle. And if we stand together and continue to bring attention to this issue, we can put a stop to the abomination of private prisons profiting from human suffering.

Thank you for standing with me.

In solidarity,

Bernie Sanders

My running commentary re-broadcast to the world is 100% true and can NOT be denied.

For the greatest drain of all wealth to the Criminal Ruling Elite is your tax dollars being used to fund the kidnapping of so many on false premises to ensure the criminals go free. This is truly what happened to myself as all criminal evidence always has pointed at ROSE, Ms. Bashama, Duncan Clan, my own lawyers, each Judge and person involved, and even Dead-Murdered Cobb County Judge Fabier (Sept 2011) and Brian Walker (Dec 7, 2013 - Gwinnett County). Each and every criminal document is shown on WhereIsRobertRose.com HostageForProfit.com SolutionMilitary.com to show the world WHO I AM. For I have never professed to be anyone other than the true Son of Man. I am WHO I AM as GOD is the only benefactor I stated in that one Sept 3, 2011 video on youtube.com that asks for Sovereign immunity from USA government and all other nations PRIOR to Kidnapping. I detected over and over that ROSE had cyberbugged my own home and then my cell phones and my Acura TL car. Easy to do, ROSE simply installed tracking devices, installed IP sniffer to my hardware internet, and paid off telecomm companies to supply him with my cell call records and my exact locations and travels. Tracking Credit cards is also so, so easy with an insider at the banks.

Each and every Constitutional Right as well as my freedom was denied by everyone involved based on NO evidence or testimony from any ACCUSER ever presented in Court. I was NEVER allowed to speak or give their own COURT DOCUMENTS back to anyone, including the USA Military, FBI, AG. So I did this at every single opportunity now +8 long years based on the \$250,000 USD cash in Forsyth County GA Judgment 08SC-1345 granted Oct 2010 when ROSE not only NEVER declared bankruptcy of HomeWaves.com, he SHUT down all 17 R.I.Co. companies and transferred millions of USD assets to his other 'perfect crime' enterprises that I have been showing to all law enforcement, public, press, and churches for now +7 years. That is the IRS Feb 2009, 658 judgment worth in excess of \$8 Million USD that nora.Beardsley@irs.gov has clearly DESTROYED by now.

If ANYONE had ever done their job, I would NOT still be HOMELESS, DESTITUTE, and the #1 Landmark Miscarriage of Justice PLAINTIFF against each and every criminal, including Norfolk Judge Raymond Jackson and Deputy Attorney General sally.Yates2@USDOJ.gov who ALL saw the one Cancelled TPO 11.1.1171.99 dated July 15, 2011 so NO 922(g)8 violation COULD have occurred when I asked for SAFE haven from the USA Military to escort THEM to the FBI-AG offices to COMMAND them to take out each criminal connected to ROSE.

These are just a few percentage facts of the total devastation of felony and capital federal crimes committed by so many against myself and all 7.372 Billion of MY people.

So I close now. Not much left to REPEAT and REPEAT over and over, for now +8 years of PURE hell as ROSE uses my own funds to continue his +15 years of perfect crime sprees by blackmailing so many, committing murder, crimes against humanity, and almost every single felony crime listed in the U.S.C. statues books of law.
